At the end of the course there will be a complete review of the permit application and process

All questions will be answered.

Course completion certificates will be issued at the end of the course which satisfies the requirement and must be submitted with the permit application.

WHY SHOULD I TAKE THIS COURSE ?

This is a **100 % FREE** course
Handgun safety course is required by pistol permit applicants in NYS

This course is offered free of charge by Phoenicia Fish & Game because we firmly believe that firearm safety should not be a profit-driven endeavor or a fundraising initiative. We have other events to fundraise.

Our philosophy is that everyone should have access to firearms safety education, regardless of their financial situation. We understand that not everyone can afford to pay hundreds of dollars for such crucial knowledge, and we don't want financial constraints to prevent anyone from learning.

Since 2013, we have been providing Firearm Safety Courses, and we are proud to have positively impacted the lives of over 30,000 individuals through our club's offerings
